

**APPLICATION FOR HIGH SCHOOL SENIORS  
2012-2013 AWARD YEAR**

Purpose: Davis Applied Technology College adult merit-based High School Senior scholarships may be awarded to students based on their previous educational technical accomplishments and career goals. All scholarships will be awarded to selected students upon enrollment at the Davis Applied Technology College.

**Application DEADLINE:** Scholarship applications must be completed and received in the DATC Financial Aid and Scholarship Office by 3:00 p.m., Friday, March 23, 2012.

Application Requirements: Any graduating high school senior is eligible to apply for these DATC Scholarships. Students that have excelled in their technical education pursuits are encouraged to apply.

Scholarship Information

- Students on scholarship must be enrolled or intending to enroll in a regular, ongoing technical DATC program that leads to an approved credential.
- Students on scholarship are expected to be enrolled at least ½ time (12 hours per week) or if an eligible program is offered less than ½ time they are expected to be enrolled the maximum number of hours per week the program is available.
- Enrolled students applying for scholarships must be meeting the school's minimum standards for satisfactory progress (67%) and attendance (85%) to be considered for merit-based awards.
- Failure to maintain satisfactory progress or attendance after receiving an award will result in a withdrawal of the award.
- A Student can be awarded no more than two merit-based scholarships within a 12-month period.
- Students must officially accept the scholarship by providing a thank you letter to the donor and submitting a copy of the same thank you letter to the scholarship office by July 2, 2012.

Selection Process: The Davis Applied Technology College Scholarship Committee will review applications for consideration and identify those students to be awarded. All selections will be reviewed and approved by the DATC Board. Notification letters will be mailed out no later than April 30, 2012.

Student applications will be reviewed on the following criteria:

1. Accomplishments in Applied Technology Education: Grades, competency levels, and participation in student organizations.
2. Applied Technology Education Goal: The Student's career goal is in line with previous and proposed training and the student shows a commitment to the training field.
3. Other Achievements: General academics, community service, and work experience, etc.
4. Strength of Recommendations: Recommendations should provide specific and unique information that assists committee members in distinguishing the student's capability and merit.
